WHY BECOME A SPONSOR?

Women's Crisis Services
of Waterloo Region

Each year, 10 classrooms full of children, and the same amount of women, stay at Anselma House and Haven House.

Help make sure our shelters are more than just a bed.

For almost 40 years, Women's Crisis Services of Waterloo Region has been providing a safe haven to women and their children escaping abuse. As our region grows, so does the need for safe shelter.

Our agency continues to experience significant increases in demand for shelter from domestic violence; yet provincial funding has remained stagnant. And so we rely on community partners for support. Together, in partnership, we are confident that we can continue to successfully help women and their children "Move Beyond Violence."

With your sponsorship, you will be providing safety, dignity, and comfort to the women and children seeking our help. Thank you for your leadership in our community by sponsoring the 8th Annual Golf Tournament in support of Women's Crisis Services of Waterloo Region.
