

Give the gift of *Hope*

This holiday season, YOU can give the gift of hope to women and children in your community. By donating to Women's Crisis Services of Waterloo Region, you can help support women and children who have experienced domestic violence.

How You Can Help

[DONATE ONLINE](#)

Give a Personal Gift

- ♥ Add "local women and children" to your holiday list! By donating this holiday season, you can help women and children move beyond violence.

Donate on Behalf of a Loved One

- ♥ This is a meaningful gift that will never go to waste. Make a donation on behalf of a friend or family member and let them know about your gift.

Run a Virtual Workplace or Group Campaign

- ♥ If 5 people on your team each donate \$10 that would be enough to provide a Music Therapy session to a mother and child.
- ♥ If 20 people each donate \$20 that would be enough to provide transportation, safe shelter, warm meals, counselling, and recreational programming for a family for five days.
- ♥ Or consider collecting Walmart and grocery store gift cards!
