

Position Title: Driving Volunteer

Summary of Role:

We are currently looking for a volunteer to help us with donation pick-ups and drop offs. We often receive calls from people and places with donations that require pick-up in order for us to receive the donations. This is not always possible for us to accomplish with the staff we have. This volunteer role would be someone we could reach out to when these situations come up that would be willing to make the trips for us.

Support to this Position:

Though this is a volunteer position we would be willing to reimburse mileage costs.

Tasks and Duties

- Picking up donations
- Driving them to either or both of our locations (Kitchener/Cambridge)
- Dropping off donations

Skills and Qualifications

- Ability to lift and carry potentially heavy materials (within reason). We also have tools also available to help including carts and elevators
- Access to a vehicle and ability to drive that vehicle

Location

Majority of it would happen within Waterloo Region

Time Commitment

Mostly as needed, however we do currently have one monthly grocery donation pick-up, the day and time of that monthly pick-up is somewhat negotiable though.

Who Are We? Women's Crisis Services of Waterloo Region (WCSWR*) provides emergency shelter to women and children fleeing abusive relationships. We operate two shelters: Anselma House in Kitchener and Haven House in Cambridge. Our facilities operate on a 24/7 basis, **and we pride ourselves in being more than shelter.** We also offer a robust region-wide outreach support program which supports families who are experiencing or have experienced domestic violence. We believe that everyone deserves to live a life free from abuse.

*WCSWR supports women, transgender and gender-diverse individuals.
